

LAWNMOWER GAME 4 : THE FINAL CUT

Game idea:

Simulation game, where only mission is to cut grass.

4 different levels which some contains ghost rats, which will damage player. Also normal rats which can collide and flip player mower upside down

After health goes to 0 player will explode and die. Lawnmower has fuel consumption and after fuel is 0 engine will stop and player need start level again

Some levels contains easter eggs. 2 Different easter eggs and bonus levels

1, Golden grass item which will teleport player to mowerland, which are bonus level. There player has to find golden mower to finish bonus levels

2. Silver grass item which will teleport player to mowerland 2, which is second bonus level. There player has to find silver mower to finish bonus levels
