

Where is the DLC?

After when you have purchased the DLC, please login to the game.
The DLC Package you've bought will show instantly in the Character Selection Page.

- Restart the game if you haven't received the DLC.
- If you haven't received the DLC yet, please send an email to steam_support@gamekiss.com with your IGN and the DLC Name.

Where is the DLC?

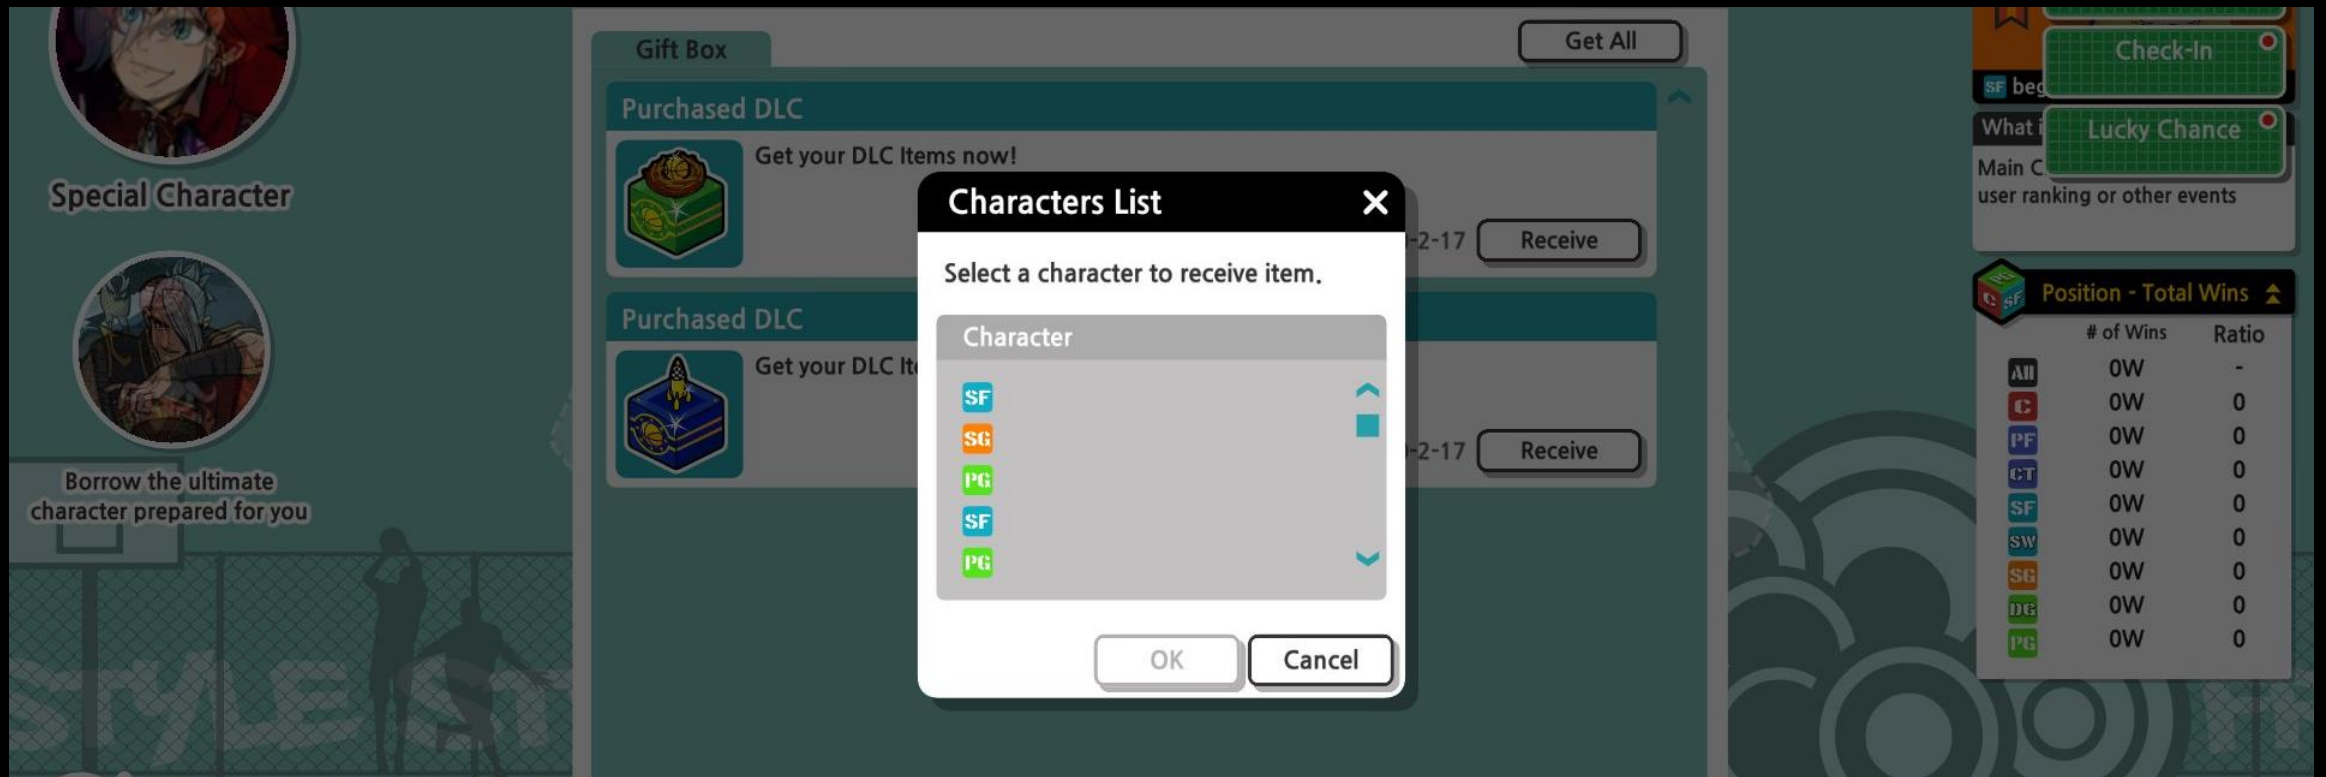

Press the Gift Box Icon on the right upper corner.
Then, press the Receive button for the DLC you have purchased.

The screenshot shows a game interface with a top status bar and a right sidebar. The top status bar includes a clock (11:36 PM, 19 NOV 2019), a currency display (1958), and a gift box icon circled in yellow with a red '9' badge. A yellow arrow points from the gift box icon to the 'Gift Box' menu. The 'Gift Box' menu is open, showing two 'Purchased DLC' items, each with a 'Receive' button. The right sidebar contains an 'EVENT LIST' with 'Missions!' and 'Check-In' events, and a 'Position - Total Wins' table.
