# ORB HUNTER MANUAL

## TIPS:

- Navigate Menu using WASD and D-Pad, press up/down to surf menu categories, press right to commit choice, press left to get back.
- Heal yourself by looting green loots.
- Increase your max health and stamina by looting purple loots.
- Keep an eye on enemy's stamina, they cannot attack you with zero stamina, but they get replenished over time.
- Keep an eye on your stamina too, they replenish a small portion overtime, and a big portion every half a minute.
- Save your progress using the save chair.
- You can replenish your stamina faster while sitting on the save chair.
- You cannot do certain actions when an enemy sees you, for example unlocking doors, pick up treasure.
- Keys are dropped from certain enemies.
- You don't get hit while dodging.
- Check Mods in Main Menu after getting Mission Complete Steam Achievement. (Must be logged in to your steam account to appear)
