Story

Humphrey lives on a farm with his parents. He is very hungry and has decided to go on a little culinary adventure. His parents hire 5 wranglers to attempt to bring him back.

Little did they know, it would be very difficult to capture

Humphrey! Humphrey goes on an adventure eating his way through farms, a cookie factory and a theme park!

Humphrey!

Humphrey is the insatiable hero of the game! He is a piglet with a big appetite. Help guide him through levels while avoiding enemies!

Kang!

The fastest main
enemy in the
game. He is fast
and is always
hot on your
heels!

Dingo!

The second
fastest main
enemy in the
game. He is
always looking
for ways to
ambush you!

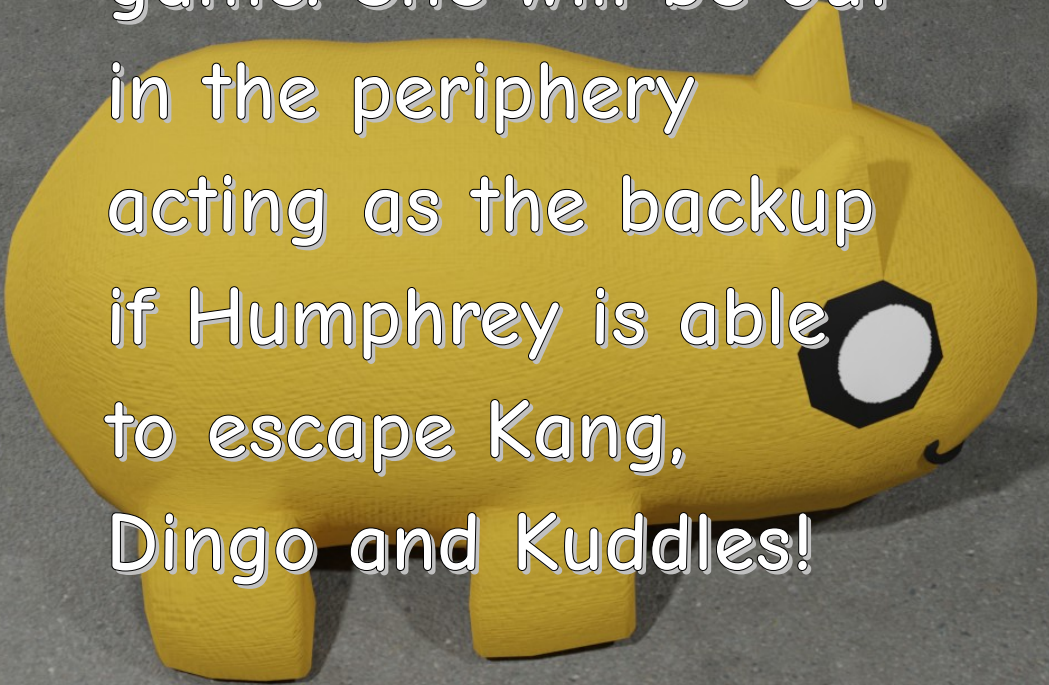

Kuddles!

The third fastest
main enemy in
the game! He will
try to find ways
to block off any
potential exits!

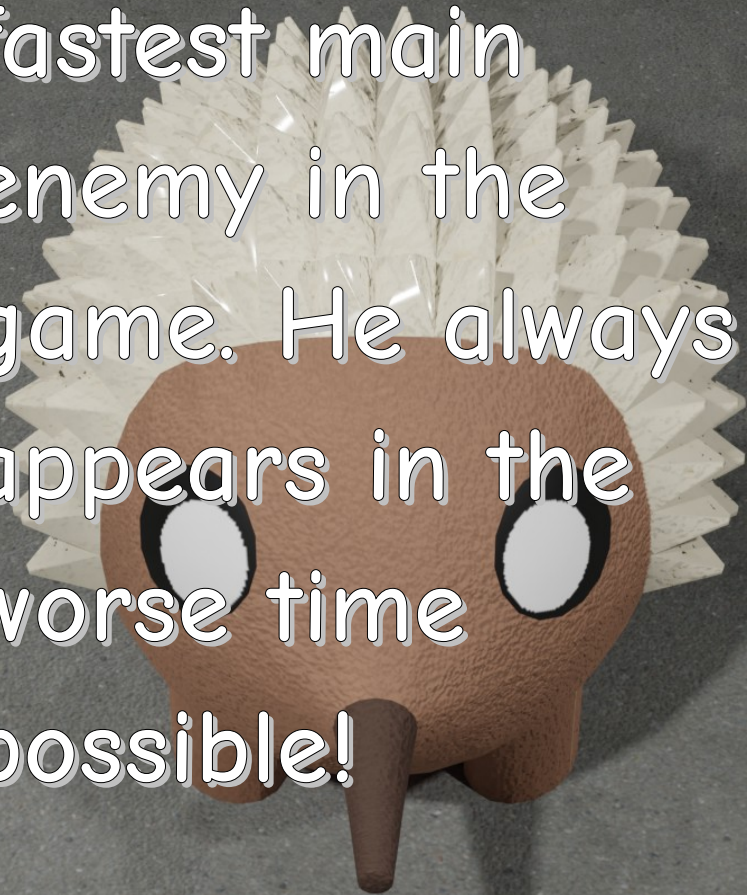

Emy!

The fourth fastest main enemy in the game. She will be out in the periphery acting as the backup if Humphrey is able to escape Kang, Dingo and Kuddles!

Eddie!

Eddie is the fifth fastest main enemy in the game. He always appears in the worse time possible!

Tractor Driver!

The Tractor
Driver works on
Humphrey's
parents' farm. He
is always driving
back and forth!

Scar!

Scar also works on Humphrey's parents' farm. He helps around here and there. He is very fast, however, occasionally he freezes and stands still out of habit. Humphrey likes to imagine him as a sad sack of potatoes!

Forklift

Drivers!

These guys work together in the cookie factory! Their speed range from very fast to moderate. They work together to surround Humphrey and prevent his escape!

Kale!

Kale is best friends with Dale. He likes to jump on his pogo stick. When at the theme park he saw Kang, Dingo, Kuddles, Emy and Eddie failing to catch Humphrey, so he and Dale decided to join in on the fun!

Dale!

Dale is best friends with Kale. He likes to jump on his pogo stick. When at the theme park he saw Kang, Dingo, Kuddles, Emy and Eddie failing to catch Humphrey, so he and Kale decided to join in on the fun!

Harold!

Harold is the portly merchant of the game! He sells you power ups and upgrades! He can be found at the theme park giving out free samples! He tries to get as far away from Humphrey as he can because Humphrey is too greedy and eats all the food!

Croc Croc!

Croc Croc is a lifeguard at the theme park. He tries to save Humphrey when he quickly noticed that Humphrey was in the dangerous river! He is very fast. Alas, Croc Croc still couldn't manage to capture Humphrey!

Pojo!

Pojo works at the circus in the theme park. He is fast.

Pojo invited Humphrey to join him on stage and they put on quite a show!

Goals

The aim of the game is to complete the levels by eating all the foods. You must avoid enemies that are intelligent and that cooperates in an attempt to stop you. Use all means available to help you finish the level. Try to finish as fast as possible! The game is over when you lose all your lives.

100

870

1

Power Ups

- Life: Grants an extra life. Useful when you are low on lives and you are close to finishing a level.
- Wings: Grants invulnerability by flying over your enemies!
- Magnet: Attracts food to Humphrey. Useful for finishing levels faster!
- Rocket: Increases speed. Useful for escaping enemies. Pair this up with wings and magnet for a powerful combo!
- War Humphrey: Transforms Humphrey into a big, powerful and strong Wart Hog (perhaps only in his imagination...). Crush your enemies and any obstacles that gets in the way!
- Eat The World: Summons an ally to help you finish the level faster. Limited to 6 per level, because Humphrey only has 6 friends!

Upgrades

- Jump Upgrade: Decreases jump recovery time.
- Power Up Upgrade: Increases duration of power ups. Also makes summoned allies faster.
- Enemy Respawn Upgrade: Increases the time it takes for enemies to respawn.
- GMO Respawn Upgrade: Decreases the time it takes for GMOs to respawn.

Achievements

- GMO Muncher: Eat 450 GMOs.

Unlocks Crazy GMO.

- Power Hungry: Use Power Ups 100 times. Doubles Power Up duration.

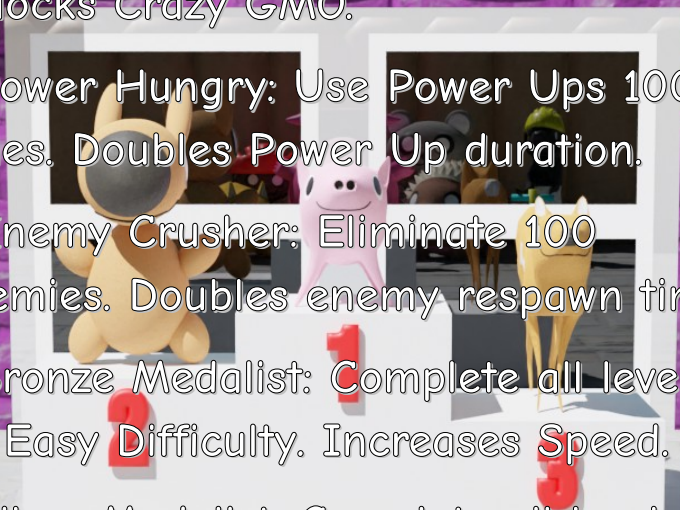

- Enemy Crusher: Eliminate 100 enemies. Doubles enemy respawn time.

- Bronze Medalist: Complete all levels on Easy Difficulty. Increases Speed.

- Silver Medalist: Complete all levels on Medium Difficulty. Increases Speed.

- Gold Medalist: Complete all levels on Hard Difficulty. Increases Speed.

- The Perfectionist: Complete all levels on all difficulties. Increases Speed.

GMOs

GMOs are sentient food that has come to life (or so Humphrey likes to imagine). They are running around on every level. They have their own unique behaviour and personality. Eat them to activate a power up!

Piggy Bank

Smash the piggy
bank for a
Humphrey

reward. Resets

every day! Change Profile!

Mini Games

Mini Games are unlocked as you progress through the game. They help earn coins.

- Greedy Humphrey: A probability game where the odds are in your favour!

- Pig Sweeper: Help Humphrey clear mines from a farm field!

- Whack A Scar: Make sure to whack Scar and avoid Humphrey!

- Cookie Crate Stacker: Stack Cookie Crates!

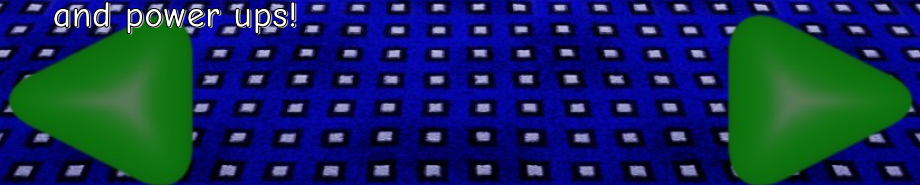

- OSH: Work as a forklift driver in the cookie factory!

- Truck Runner: Drive a truck as fast as possible while avoiding cars!

- Bumper Cars: Bump your enemies into the walls! Careful, they will bump you too!

- Great Lake Race: Race in the lake and be number 1

- Prize Shooter: Shoot the target and earn coins and power ups!

Tunnels

There are tunnels that help you escape enemies and reach other parts of the level quicker. They come in the form of a dirt tunnel, hay tunnel, sewage tunnel and transport tubes.

100

1244

3

Obstacles and Objects

There are various obstacles and objects through out the game.

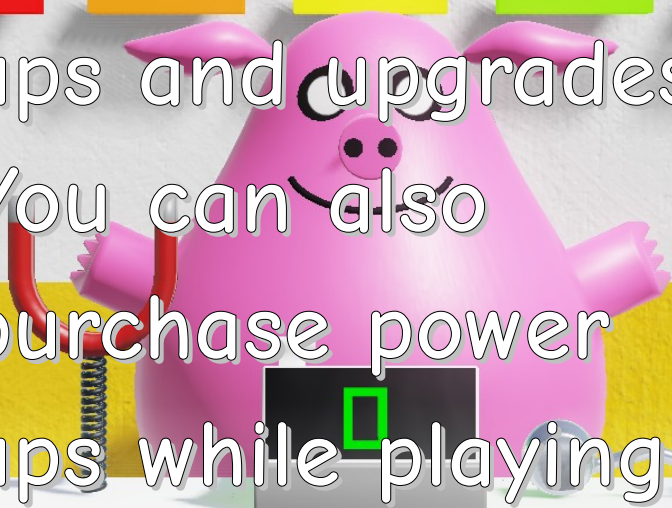

- Mines: Dangerous and causes and explosions. You will know when it is dangerous to go through by its blinking red lights.
- Saw Blades: Who put this in a cookie factory?
- Key cards: Used to open doors and sometimes to close doors (perhaps to contain enemies to a section of the level?)
- Cannons: Makes the circus performance more exhilarating!
- Evil Jack In the Box: Evil Jack In The Box waits to pounce on you in the circus!

Shop

The Shop is a place
where you can
purchase power
ups and upgrades.
You can also
purchase power
ups while playing in
a level.
